

Driveway Lending / Shared Parking Program for Bonita Isle

Dear Bonita Isle Homeowner: Your Board of Directors wants to reduce parking violations in our neighborhood. One way to help is for homeowners to volunteer space on their driveway for use by their neighbor's guests in the event the neighbor's driveway overflows.

This program is **completely voluntary**. No one is required to take part. We understand that some residents, due to any number of personal circumstances, may not be able to offer their driveway under this shared parking program. If you can, everyone will appreciate it, but no worries if you cannot.

To help identify homes where the driveway is available for a neighbor's guest parking, a Bonita Isle volunteer will come to your home and provide you with a small removable green reflector to place on your mailbox post.

- ▶ **How to volunteer a parking spot:** On days and times when you are able to lend a parking spot on your driveway then affix the small green reflector to your mailbox post. When you are unable to lend a spot, then simply remove the green reflector.
- ▶ **How to borrow a parking spot:** If you're having multiple visitors and expect that your driveway will overflow, then seek out a neighbor who is displaying a green reflector on their mailbox post. Fill out an Info Slip (below) and give to your neighbor whose driveway you want to borrow. Please ask the neighbor about any parking preferences they may have to minimize the chances they'll be blocked-in. Then direct your guest where he/she should park, which spot to use as specified by the lender, and also advising your guest not to block the sidewalk. The Info Slip is important. This is how your lending neighbor will contact you or the guest vehicle owner in case the vehicle needs to be moved.

Authorization Form: I hereby grant permission to my neighbors to allow their guests to park on my driveway short term in the event of parking overflow on said neighbor's driveway **only when** I am displaying a green reflector on my mailbox post. This is conditional on being provided identifying vehicle information as requested on the Shared Parking Info Slip each time parking is requested. Furthermore, I agree to hold harmless the Bonita Isle Homeowners Association, all members of the B.I. board of directors, and all other committee volunteers for any damage or liability that may arise in connection to my participation in this voluntary program. **GIVE THIS SECTION TO A BI BOARD MEMBER.**
